SUMMARY: Category of overall institution performance is ACHIEVES. (See note 2.) The number of applicable indicators varies by sector and institution. For this institution, 26 indicators are included in the overall score. The institution's overall numeric score that determines the performance category is 2.55 or 85% of 3, expressing the overall numeric score as a percent of the total possible. (See note 1.)

NOTE 1: The overall numeric score is calculated by averaging the scores for each indicator (i.e., scores in the final column, not shaded and right aligned). For indicators with multiple subparts, the subpart scores (i.e., scores in the last column, shaded and left aligned) are averaged to derive a score for the indicator. The percent shown is derived by dividing the overall numeric score by three

NOTE 2: Institutions scoring within the same category are considered to be performing similarly under SC's performance system
